

SAF-T-FENCE® PARTITIONS

SPECIFICATIONS

Saf-T-Fence Partition Systems deliver extra strength, increased security, and greater flexibility—and ships in days where others take weeks.

Here's your best low-cost alternative to building permanent walls. Each panel in this system is built on a tough, 1½" x 1½" x 14-gauge steel frame. Because Saf-T-Fence is a modular system, it's easy to design a partition of any size and can be installed and/or relocated in any space. It's virtually maintenance-free. And we also offer options in doors, locks and colors.

Panels 10-gauge welded wire mesh with 1¼" x 2½" grid openings. Wire mesh framed utilizing 14-gauge 1½" x 1½" steel angle.

Posts 2" x 2" x 16-gauge steel tube welded to 2" x 6" x ¼" base plates.

Doors Hinge, Hinge Pair; Slide, Slide Pair; Clear Access Slide and Clear Access Slide Pair doors. Built-in cylinder lock with thumbturn and pull handle standard.

Installation All assembly hardware supplied.

Finish Black powder coating standard. Other powder coating colors available.

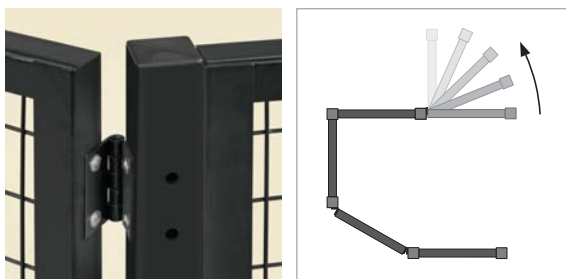

Options Locking: Lever Handle, Push Bar, Paddles and Electric Strike; Hydraulic Closer for hinge door; Magnetic Lock for slide door; Key Pad, Card Reader and Padlock Hasp.

Angle Panel Kit. Polycarbonate Panels. Custom configurations available.

Warranty 1 year.

Standard doors include pull handle, built-in cylinder lock and thumbturn.

Angle panel kit lets you position panels in just about any configuration you like, from 0 to 90 degrees.
